Kelly Kojis being first duly sworn on oath, deposes and states as follows:

1. I am an adult resident of the 30th State Senate District and I am a qualified elector, i.e., either registered to vote or eligible to register and vote.

2. On March 12<sup>th</sup> 2011 at my home at 1245 Oregon Street, Green Bay, I spoke with an individual who was soliciting passersby to sign a document. Based on what the individual told me, I signed the document.

3. Later, I learned that the document was a petition seeking a recall election for the State Senate seat currently held by Senator Hansen. The individual who requested I sign did not tell me that the document was part of an effort to have a recall election ordered for Senator Hansen. I was led to believe the petition was in support of Senator Hansen. I was told that I could also sign for my parents, which I did.

4. Had I not been misled about the purpose or effect of the petition, I would not have signed it. I do not and have not supported efforts to have a recall election held for Senator Hansen's seat.
